

Complete the four compulsory tasks each week and at least 2 of the optional tasks. Your homework can be saved on your OneDrive for me to check.

<b>Compulsory Tasks</b>			
<b>Maths</b>	<b>English/Waste Warriors</b>	<b>Reading</b>	<b>Typing</b>
Write out all of the patterns we learned about multiplication.  Share a few of these with your family and how you will use them in the future to help you with your maths.	Brainstorm everything you can think of that we could write about to put in the newsletter about how people can reduce their rubbish at home.  Select one idea and research some dot points to get you started on the newspaper article.	Read for 30 minutes each day.	Using the links on the blog do some typing practice. Try for at least 5-10 minutes a day.
<b>Optional Tasks</b>			
<b>Helping at Home</b>	<b>English</b>	<b>Religion/Health</b>	<b>Zones of Regulation</b>
Find one small way that your family can reduce waste at home and discuss if it would be possible to make this change with your family.	Choose a book you have already read or read a new one. Write a short book review about it to share with the class and potentially publish on Oliver.	Write down a list of all of the clubs and groups that you are a part of. Write how these groups make you the person that you are. How they influence the way you think and the actions you choose to take.	Write down a time when you were in the Red Zone. Explain what happened. Describe your reaction and whether it was the appropriate action or not.

## Weekly reminders:

**Monday (sports uniform)** – Swimming, make sure you bring things as we will be getting changed at school. Art, PE and Japanese. Pounce.

**Tuesday** – Library borrowing

**Wednesday (sports uniform)** – Music
