

Complete the four compulsory tasks each week and at least 2 of the optional tasks. Your homework can be saved on your OneDrive for me to check.

Compulsory Tasks			
<b>Maths</b> Write out your 6, 7, 8 and 9 times tables and their relevant division facts. Eg. $6 \times 5 = 30$ and $30 \div 6 = 5$	<b>English</b> Now it is time to use the skills you have learnt about writing newsletter articles. Write a newsletter article about the swimming carnival. Make sure you follow the given structure.	<b>Reading</b> Read for 30 minutes each day.	<b>Typing</b> Using the links on the blog do some typing practice. Try for at least 5-10 minutes a day.
Optional Tasks			
<b>Helping at Home</b> Use your Clean Up Australia Day skills to clean up your yard and maybe even your street!	<b>English</b> Write a book report about a non-fiction book. What did you think, would you recommend it? Why, why not?	<b>Computer</b> Play some of the math games on the blog. Under curriculum/maths/term 1	<b>Religion</b> Write down or draw a picture about how our Catholic Faith helps us to live in community with others

### Weekly reminders:
